

# PROGRAMS OFFERED

NVDC promises to put the well-being of children first in the design and administration of our programs and to continually strive to promote the physical education, social, emotional, intellectual, and moral growth of each child; all while nurturing a love of dance.

**BALLET/TAP:** A class which introduces classical ballet and tap while encouraging a child's free expression. The goal of this class is to provide a healthy and positive experience that stimulates a love for dance.

**BALLET:** These classes teach classical ballet positions, barre work, center floor, adagio and allegro at an age appropriate level.

**TAP:** Students will develop rhythm, coordination, and clarity of sounds while learning tap's founding skills and some of today's newest tricks.
